

CARDIOVASCULAR INNOVATIONS 2019

JULY 17 - 20, 2019
SCHEDULE AT A GLANCE

WEDNESDAY, JULY 17 - COMPLICATIONS COURSE **NEW!**

8:30 - 10:00	Coronary Complications Part 1
10:00 - 10:30	Break
10:30 - 12:00	Coronary Complications Part 2
12:00 - 1:15	Lunch Break
1:15 - 1:30	Break
1:30 - 3:00	Peripheral Complications
3:00 - 3:30	Break
3:30 - 5:00	Structural Complications

THURSDAY, JULY 18

8:30 - 10:00	Live Coronary Case	All You Need to Know for Acute and Chronic Venous Disease (Case-based presentations)	Tricuspid Regurgitation Therapy Retreat (TR)2: The Problem of Tricuspid Regurgitation NEW!	Coronary Challenging Case Competition: Semifinals I
10:00 - 10:30	Break and Exhibits			
10:30 - 12:00	PCI How-to Part 1: The Basics	Live Peripheral Case	Current Surgical Solutions for TR	Coronary Challenging Case Competition: Semifinals II
12:00 - 1:30	Lunch Break		Working Lunch: Challenges, Solutions, and Current Status with Transcatheter Approaches	
1:30 - 3:00	PCI: The Great Debates 1	Innovation in Vascular Disease	Therapy Goals in Tricuspid Regurgitation	
3:00 - 3:30	Break and Exhibits			
3:30 - 5:00	PCI How-to Part 2: CTOs	Masters Approach to Critical Limb Ischemia I: Step-by-Step Technical Tips	Breaking Boundaries With Mitral Valve Therapy	

FRIDAY, JULY 19

8:30 - 10:00	PCI How-to Part 3: Acute Coronary Syndromes and Shock	Aortoiliac Disease	Innovations in Structural Heart Therapy	Peripheral Challenging Case Competition: Semifinals I
10:00 - 10:30	Break and Exhibits			
10:30 - 12:00	Live Coronary Case	Common Femoral, SFA, and Popliteal Disease	The Boundaries of Structural Heart Therapy II	Peripheral Challenging Case Competition: Semifinals II
12:00 - 13:30	Lunch Break			
1:30 - 3:00	PCI: The Great Debates 2	Live Peripheral Case	The Boundaries of Structural Heart Therapy I	Structural Challenging Case Competition: Semifinals I
3:00 - 3:30	Break and Exhibits			
3:30 - 5:00	PCI How-to Part 4: Complex Lesions and Patients	Limb Salvage, Functional Amputation, Wounds and Podiatry	Live Structural Case	Structural Challenging Case Competition: Semifinals II

SATURDAY, JULY 20

8:30 - 10:00	Innovations in PCI Part 1	Master's Approach to Critical Limb Ischemia II	Passing the Limits of Occluder Therapy	
10:00 - 10:30	Break and Exhibits			
10:30 - 12:00	Innovations in PCI Part 2: Back to the Basics	Master's Approach to Critical Limb Ischemia III	The Boundaries of Structural Heart Therapy III	
12:00 - 1:10	Cardiovascular Innovations Case Competition Finals			

TRACKS ■ CORONARY ■ PERIPHERAL ■ STRUCTURAL
