

CME INFORMATION
CVI 2021 Webinar Series: Transcatheter Mitral Innovations
February 11, 2021 – February 11, 2022

TARGET AUDIENCE

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, trainees, investigators, and allied health care workers who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

EDUCATIONAL GOAL

The goal of this activity is to provide participants with knowledge and state-of-the-art management information on how to evaluate and treat patients with coronary artery disease, peripheral vascular disease, and valvular, structural heart and arrhythmic heart disease.

LEARNING OBJECTIVES

- Identify catheter-based and imaging techniques for optimizing reduction in mitral regurgitation
- Describe patient selection for transcatheter repair versus replacement
- Discuss management approaches for challenges that may arise during transcatheter mitral therapy
- Describe ongoing clinical trials, cutting-edge therapies, and latest innovations in transcatheter mitral therapy

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Cardiovascular Innovations Foundation. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this enduring internet activity for a maximum of 1 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Start Date: February 11, 2021

End Date: February 11, 2022

FEES

There is no registration fee for this activity.

PARTICIPATION REQUIREMENTS

1. View webinar
2. At the end of the webinar, login to:
<https://online-med-edu.com/cvi2020/webinar/transcatheter>

3. Complete the Evaluation/Credit Request Form-No credit requests will be accepted after February 11, 2022
4. Download or Print Credit Statement

FACULTY AND DISCLOSURES

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has resolved all conflicts of interest prior to this educational activity.

Mark Ricciardi, MD

Cardiologist, NorthShore University HealthSystem
Evanston, IL

Mark Ricciardi has disclosed the following relevant financial relationships: Abbott Vascular-Speaker, teacher, Research; Edwards Lifesciences-Proctor, Research

Jason H. Rogers, MD

Professor of Cardiovascular Medicine, University of California Davis Medical Center
Denver, CO

Jason H. Rogers has disclosed the following relevant financial relationships: Abbott Structural Heart-Advisory Board, Consultant, Speaker, PI Study; Boston Scientific, WL Gore -Advisory Board, Consultant

Paul Sorajja, MD

Director, Center for Valve and Structural Heart Diseases, Minneapolis Heart Institute at Abbott Northwestern Hospital
Minneapolis, MN

Paul Sorajja has disclosed the following relevant financial relationships: Abbott Vascular-Consultant, Research Grant, Speaker Bureau; Admedus, Teleflex; WL Gore-Consultant; Boston Scientific, Edwards Lifesciences; Medtronic- Consultant, Research Grant

Molly Szerlip, MD, FSCAI, FACC

Medical Director of Percutaneous Valve Program, Program Director, Structural Heart Fellowship, Baylor Scott and White: The Heart Hospital Plano@mszerlip
Plano, TX

Molly Szerlip has disclosed the following relevant financial relationships: Boston Scientific, Edwards Lifesciences- Speaker's Bureau; Medtronic-Consultant

Anene Claire Ukaigwe, MBjBS

Interventional Cardiologist, Charleston Area Medical Center
Charleston, WV

Anene Ukaigwe has no relevant financial relationships to disclose.

Pradeep K. Yadav, MBjBS

Assistant Professor of Medicine, Penn State Health - MS Hershey Medical Center
Hershey, PA

Pradeep K. Yadav has no relevant financial relationships to disclose.

Planner Disclosures

No member of *CMEsolutions* or Cardiovascular Innovations Foundation has any relevant financial relationships to disclose in regards to this activity.

Off-label Use

This activity may contain discussion of unlabeled and/or investigational uses of agents not approved by the FDA. Please consult the prescribing information for each product.

Commercial Support

Commercial Support for this educational activity will be provided by the following:

- Boston Scientific
- Medtronic
- Philips
