

CME INFORMATION

**CVI 2020 Webinar Series: Advanced Imaging for TAVR, TMVR and Beyond
November 19, 2020 – November 19, 2021**

TARGET AUDIENCE

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, trainees, investigators, and allied health care workers who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

EDUCATIONAL GOAL

The goal of this activity is to provide participants with knowledge and state-of-the-art management information on how to evaluate and treat patients with coronary artery disease, peripheral vascular disease, and valvular, structural heart and arrhythmic heart disease.

LEARNING OBJECTIVES

- Discuss advanced imaging tools and techniques to prevent, identify and treat valvular disease
- Explain how the utilization of cardiac CT, AI-guided echo and fusion imaging can all help play a role in the advancements of optimal treatment for structural heart disease
- Identify step-by-step CT acquisition, analysis and interpretation
- Describe basic echo measurements and how to interpret images for easy navigation
- Evaluate the benefits of fusion imaging to navigate

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Cardiovascular Innovations Foundation. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this internet activity enduring material for a maximum of 1 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Start Date: November 19, 2020

End Date: November 19, 2021

FEES

There is no registration fee for this activity.

PARTICIPATION REQUIREMENTS

1. View webinar
2. At the end of the webinar, login to:
<https://online-med-edu.com/cvi2020/webinar/advtavrtmvr/>

3. Complete the Evaluation/Credit Request Form-No credit requests will be accepted after November 19, 2021
4. Download or Print Credit Statement

FACULTY AND DISCLOSURES

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has resolved all conflicts of interest prior to this educational activity.

Colin Barker, MD

Director, Interventional Cardiology, Vanderbilt University Medical Center
Nashville, TN

Colin Barker has disclosed the following relevant financial relationships: Boston Scientific, Medtronic-Consultant.

Robert F. Burke, MD

Cardiologist, HonorHealth Heart Group
Scottsdale, AZ

Robert Burke has disclosed the following relevant financial relationships: Faculty: Abbott Vascular, Boston Scientific Corporation, Medtronic, Siemens; Research support: Siemens

Joao Cavalcante, MD

Director, Cardiac MRI and Structural CT Lab, Minneapolis Heart Institute
Minneapolis, MC

Joao Cavalcante has disclosed the following relevant financial relationships: Abbot Vascular, Boston Scientific- Consultant; Circle Cardiovascular Imaging-Consultant, Research Grant; Siemens Healthineers-Consultant, Speaker Bureau; Edwards Lifesciences-Research Grant

Paul Sorajja, MD

Director, Center for Valve and Structural Heart Diseases, Minneapolis Heart Institute at Abbott Northwestern Hospital
Minneapolis, MN

Paul Sorajja has disclosed the following relevant financial relationships: Abbott Vascular-Consultant, Research Grant, Speaker Bureau; Admedus, Teleflex; WL Gore-Consultant; Boston Scientific, Edwards Lifesciences; Medtronic- Consultant, Research Grant

Planner Disclosures

No member of *CMEsolutions* or Cardiovascular Innovations Foundation has any relevant financial relationships to disclose in regards to this activity.

Off-label Use

This activity may contain discussion of unlabeled and/or investigational uses of agents not approved by the FDA. Please consult the prescribing information for each product.

Commercial Support

Commercial Support for this educational activity will be provided by the following:

- Siemens Medical Solutions
