

**CME INFORMATION**  
**CVI 2020 Webinar Series: Difficult Occluder Cases**  
**November 5, 2020 – November 5, 2021**

**TARGET AUDIENCE**

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, trainees, investigators, and allied health care workers who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

**EDUCATIONAL GOAL**

The goal of this activity is to provide participants with knowledge and state-of-the-art management information on how to evaluate and treat patients with coronary artery disease, peripheral vascular disease, and valvular, structural heart and arrhythmic heart disease.

**LEARNING OBJECTIVES**

- Describe best practices for evaluation and treatment of congenital lesions, left atrial appendage closure, and iatrogenic defect
- Identify the optimal imaging methods for pre-procedural and intra-procedural evaluation of therapy
- Describe management approaches for challenges that may occur during occluder therapy

**ACCREDITATION**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Cardiovascular Innovations Foundation. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this enduring activity for a maximum of 1 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Start Date:** November 5, 2020

**End Date:** November 5, 2021

**FEES**

There is no registration fee for this activity.

**PARTICIPATION REQUIREMENTS**

1. View webinar
2. At the end of the webinar, login to:  
<https://online-med-edu.com/cvi2020/webinar/docases>
3. Complete the Evaluation/Credit Request Form-No credit requests will be accepted after

November 5, 2021

4. Download or Print Credit Statement

**FACULTY AND DISCLOSURES**

*CMEsolutions* requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has resolved all conflicts of interest prior to this educational activity.

***Mario Goessl, MD***

Interventional Cardiologist, Allina Health  
Minneapolis, MN

Mario Goessl has disclosed the following relevant financial relationship: Abbott Vascular-Advisory Committee, Consultant

***Jacqueline Saw, MD, FRCPC, FACC, FAHA, FSCAI, FSCCT***

Clinical Professor, Vancouver General Hospital  
Vancouver, BC, Canada

Jacqueline Saw has disclosed the following relevant financial relationships: Abbott Vascular-Consultant, Proctor, Speaker; Boston Scientific-Consultant, Proctor; CIHR: Heart and Stroke Foundation-Research Grant; WL Gore, Baylis-Consultant

***Rahul P. Sharma, MD, FRACP***

Director of Structural Interventions, Stanford Health Care  
Stanford, CA

Rahul Sharma has disclosed the following relevant financial relationships: Abbott, Boston Scientific, Edwards Lifescience, Siemens Healthineers-Consultant

***Paul Sorajja, MD***

Director, Center for Valve and Structural Heart Diseases, Minneapolis Heart Institute at Abbott Northwestern Hospital  
Minneapolis, MN

Paul Sorajja has disclosed the following relevant financial relationships: Abbott Vascular-Consultant, Research Grant, Speaker Bureau; Admedus, Teleflex; WL Gore-Consultant; Boston Scientific, Edwards Lifesciences; Medtronic- Consultant, Research Grant

***Firas Zahr, MD***

Director of interventional Cardiology, Oregon Health and Science University  
Portland, OR

Firas Zahr has disclosed the following relevant financial relationship: Edwards Lifesciences, Medtronic-Research Grant

**Planner Disclosures**

No member of *CMEsolutions* or Cardiovascular Innovations Foundation has any relevant financial relationships to disclose in regards to this activity.

**Off-label Use**

This activity may contain discussion of unlabeled and/or investigational uses of agents not approved by the FDA. Please consult the prescribing information for each product.

**Commercial Support**

Commercial Support for this educational activity will be provided by the following:

- Boston Scientific
- Medtronic
- Philips
