

CARDIOVASCULAR INNOVATIONS DIGITAL 2021

CALL FOR ABSTRACTS Submission Instructions

Due Date: May 15, 2021

Categories: Submit your abstract in the category of Coronary, Structural or Peripheral

Submission Format:

- Submit via Word document, using the following naming convention: Last Name_Submission Category_Poster Title (example: Smith_Peripheral_PE Management)
- On top of page, include the following: Submitter First and Last name, Degree, Affiliation, Contact email address
- Indicate your submission category

Submission Guidelines:

- An abstract must have a short, specific presentation title (containing no abbreviations) that indicates the nature of the presentation.
- Do not cite references in the abstract.
- Limit use of acronyms and abbreviations. Define at first use with acronym or abbreviation in parentheses.
- Maximum of 300 words
- Use the following headings:
 - Background: rationale for study
 - Methods: brief presentation of study design and key methods
 - Results: succinct presentation of key results; please include sample sizes throughout
 - Conclusions: succinct statement of data interpretation
 - When applicable, include a fourth heading, "Clinical Trial Registration." Please list the URL, as well as the Unique Identifier, for the publicly accessible website on which the trial is registered.
- It is acceptable to submit abstracts that have been presented elsewhere.
- For more details on abstract formatting, please follow Circulation abstract submission formatting guidelines: <https://www.ahajournals.org/circ/manuscript-preparation>

Next Steps: If selected, you will be asked to design a PDF poster that will be added to the CVI 2021 Digital Online Poster Hall.
