

CARDIOVASCULAR INNOVATIONS DIGITAL 2021

CALL FOR CASES Submission Instructions

Please submit your most challenging, innovative or educational case. Cases will be reviewed by the course directors and the best cases will be presented during the dedicated competitive session at CVI 2021 Digital. The top case in each category will receive a \$1,000 prize.

Due Date: May 15, 2021

Categories: Submit your case in the category of Coronary, Structural or Peripheral

Submission Format:

- Submit via PowerPoint, using the following naming convention: Last Name_Submission Category_Case Title (example: Smith_Peripheral_PE Management)
- On first slide, include the following: Case Title, Submitter First and Last name, Degree, Affiliation, Contact email address
- Indicate your submission category

Submission Guidelines:

- Please describe the salient features of the case and the lessons learned
- Videos are acceptable and actually preferred
- There is no limit in the number of slides

Next Steps: If selected as a finalist (top 3 in each category), you will be asked to record your case presentation and participate in the Challenging Case Contest on Saturday, July 31
