

CME INFORMATION
Cardiovascular Innovations 2021 Digital
July 29 – 31, 2021

TARGET AUDIENCE

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, investigators, nurses, nurse practitioners, physician assistants and allied health care staff who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

EDUCATIONAL GOAL

The goal of this activity is to provide participants with knowledge and state-of-the-art management information on how to evaluate and treat patients with coronary artery disease, peripheral vascular disease, and valvular, structural heart and arrhythmic heart disease.

LEARNING OBJECTIVES

- Identify indications, techniques, outcomes, and complications for transcatheter valve intervention in patients with native valve lesions and dysfunction valve prostheses
- Describe the advantages and pitfalls of comprehensive imaging techniques for patients with structural heart disease such as cardiac computed tomography, magnetic resonance imaging (MRI), and echocardiography
- Explain the barriers to care in patients with valvular and structural heart disease
- Evaluate current strategies for the prevention and treatment of complications of coronary, peripheral, and structural interventions

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Cardiovascular Innovations Foundation. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this live internet activity for a maximum of 15.75 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This nursing continuing professional development activity was approved by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation. 17 Contact Hours
