

CME INFORMATION

Frontiers of Innovation - The Imager and the Interventionalist – Part 1

January 10, 2022 – January 10, 2023

TARGET AUDIENCE

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, trainees, investigators, and allied health care workers who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

EDUCATIONAL GOAL

The goal of this activity is to provide participants with knowledge and state-of-the-art management information on how to evaluate and treat patients with coronary artery disease, peripheral vascular disease, and valvular, structural heart and arrhythmic heart disease.

LEARNING OBJECTIVES

- Recall optimal imaging techniques for transcatheter structural therapy
- Describe pitfalls of echo vs. ct vs. fluoro
- Explain methods for coordinating procedural care to improve efficiency

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Cardiovascular Innovations Foundation. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this enduring internet activity for a maximum of 1 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Start Date: January 10, 2022

End Date: January 10, 2023

FEES

There is no registration fee for this activity.

PARTICIPATION REQUIREMENTS

1. View webinar
2. At the end of the webinar, login to: <https://online-med-edu.com/cvi2022/webinar/iipart1/162022/>
3. Complete the Evaluation/Credit Request Form
4. Download or Print Credit Statement

FACULTY AND DISCLOSURES

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has mitigated all conflicts of interest prior to this educational activity.

Nadira Hamid, MD

Physician, Columbia University Irving Medical Center
New York, NY
Has no relevant financial relationships to disclose.

Paul Sorajja, MD

Physician, Minneapolis Heart Institute Foundation
Minneapolis, MN

Has disclosed the following relevant financial relationships: Abbott Vascular – Consultant, Research Grant, Speaker’s Bureau; Admedus, Teleflex, WL. Gore – Consultant; Boston Scientific, Edwards Life Sciences, Medtronic – Consultant, Research Grant.

Planner Disclosures

No member of *CMEsolutions* or Cardiovascular Innovations Foundation has any relevant financial relationships to disclose.

Off-label Use

This activity may contain discussion of unlabeled and/or investigational uses of agents not approved by the FDA. Please consult the prescribing information for each product.

Commercial Support

Commercial Support for this educational activity has been provided by the following:

Abbott Laboratories
Boston Scientific
Medtronic
