FRONTIERS OF INNOVATION: ATHERECTOMY AND CALCIUM ABLATIVE THERAPIES IN LE PERIPHERAL ARTERY INTERVENTIONS

March 17, 2022 – March 17, 2023

TARGET AUDIENCE

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, trainees, investigators, and allied health care workers who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

EDUCATIONAL GOAL

The goal of this activity is to provide participants with knowledge and state-of-the-art management information on how to evaluate and treat patients with coronary artery disease, peripheral vascular disease, and valvular, structural heart and arrhythmic heart disease.

LEARNING OBJECTIVES

- Identify intravascular lithotripsy-best practice applications.
- Define selection of the optimal atherectomy modality.
- Describe stand-alone or combination therapy with atherectomy.
- Explain preparing for potential complication & bail-out measures.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Cardiovascular Innovations Foundation. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this enduring internet activity for a maximum of 1 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Start Date: March 17, 2022

End Date: March 17, 2023

FEES

There is no registration fee for this activity.

PARTICIPATION REQUIREMENTS

1. View webinar
2. At the end of the webinar, login to: <https://online-med-edu.com/cvi2022/webinar/atherectomy/3172022/>
3. Complete the Evaluation/Credit Request Form
4. Download or Print Credit Statement

FACULTY AND DISCLOSURES

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has mitigated all conflicts of interest prior to this educational activity.

Subhash Banerjee, MD

Chief of Cardiology and Director of the Cardiac Catheterization Lab, VA North Texas Health Care System
Dallas, TX

Disclosed the following relevant financial relationships: AstraZeneca-Speaker's Bureau; Boston Scientific-Institutional Research Grant; Livmore Inc.-Consultant

Lawrence Garcia, MD

Interventional Cardiologist, St. Elizabeth's Medical Center
Brighton, MA

Disclosed the following relevant financial relationships: Abbott, Boston Scientific, Medtronic-Research Support; Abbott, Boston Scientific, Medtronic, Philips, Innovation Vascular Partners-Consultant

D. Chris Metzger, MD

System Chair Clinical Research, Ballad Health; Director, Cardiac & Peripheral Cath Labs, Holston Valley Medical Center, Ballad Health, CVA Heart and Vascular Institute
Kingsport, TN

Disclosed the following relevant financial relationships: Abbott Vascular-Carotid and Vascular Proctor; Endologix- EVAR proctor; penumbra, Shockwave-Speaker; Boston Scientific-Advisory Board

Bala Ramanan, MD

Physician, UT Southwestern Medical Center
Dallas, TX

Has no relevant financial relationship to disclose.

Nicolas Shammass, MD

President and Research Director Midwest Cardiovascular Research Foundation
Davenport, IA

Disclosed the following relevant financial relationships: Bard, Boston Scientific, VentureMed Group, Vesper, Angiodynamics, Philips-Research

Mehdi Shishehbor, DO, MPH, PhD

President, Harrington Heart & Vascular Institute; Director, Cardiovascular Intervention Center; Co-Director Vascular Center, University of Cleveland
Cleveland, OH

Disclosed the following relevant financial relationships: Abbott Vascular, Boston Scientific, Medtronic, Philips, Terumo-Advisory Board

Planner Disclosures

No member of *CMEsolutions* or Cardiovascular Innovations Foundation has any relevant financial relationships to disclose.

Off-label Use

This activity may contain discussion of unlabeled and/or investigational uses of agents not approved by the FDA. Please consult the prescribing information for each product.
