

# THE OPERATORS ENCLAVE™

## HEART TEAM SYMPOSIUM

*Connect, Engage and Deepen Your Knowledge!*

This dedicated symposium for extended heart team professionals (Advanced Practice Providers, Nurses, Coordinators, Technologists) will focus on finding innovative solutions to everyday challenges in structural heart disease programs. Join a collaborative, interactive setting where thought leaders and learners unite to explore key topics with a central goal of driving programmatic success.

**Thursday, July 18**  
**6 PM – 8:30 PM**

Mineral D  
Hyatt Regency Denver  
at Colorado  
Convention Center
