

**CME INFORMATION**  
**CVI 2024: THE OPERATORS ENCLAVE**  
**JULY 18-20, 2024**  
**DENVER, CO**

**Target Audience**

This activity has been designed to meet the educational needs of cardiologists, surgeons, internists, investigators, nurses, nurse practitioners, physician assistants and allied health care staff who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

**Educational Goal**

The goal of this activity is to provide participants with up-to-date technical aspects of PCI and adjunctive hemodynamic support, imaging, stent selection, atherectomy and pharmacologic interventions needed to improve procedural success and lower complication rates.

**Learning Objectives**

- Demonstrate an in-depth knowledge of new advanced PCI and endovascular intervention techniques and comprehend which patients are suitable for minimally invasive or surgical treatments. Furthermore, attendees will learn about the recognition and treatment of potential complications associated with such procedures.
- Recall indications, techniques, outcomes, and complications for transcatheter aortic, mitral and tricuspid valve interventions in patients with native valve lesions and dysfunction valve prostheses.
- Identify patients with cardiogenic shock by using hemodynamic monitoring, providing optimal coronary revascularization and timely use of hemodynamic support devices.
- Describe the advantages and pitfalls of comprehensive non-invasive imaging techniques for patients with cardiac and vascular diseases such as Duplex ultrasonography, cardiac computed tomography, magnetic resonance imaging (MRI), echocardiography, and other.

**Accreditation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of CME Solutions and Cardiovascular Innovations Foundation. The CMEsolutions is accredited by the ACCME to provide continuing medical education for physicians.

The CME Solutions designates this live activity for a maximum of 16.5 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing Contact Hour Information**

This nursing continuing professional development activity was approved by Montana Nurses Association, an accredited approver with distinction by the American Nurses Credentialing Center's Commission on Accreditation.

Nursing total contact hours 16.5
