

## MY MOST INSTRUCTIVE PCI CASE OF THE PAST YEAR

SEPTEMBER 26, 2024 – SEPTEMBER 26, 2025

#### **TARGET AUDIENCE**

This activity has been designed to meet the educational needs of cardiology interventionalists and allied health care workers who participate in the care of patients with coronary, peripheral, and structural cardiovascular diseases.

#### **EDUCATIONAL GOAL**

This educational activity is designed to provide participants responsible for the management of patients with coronary, peripheral, structural, and arrhythmic cardiovascular diseases with case-based examples of novel treatment in these diseases.

#### **LEARNING OBJECTIVES**

- Recognize and treat potential complications associated with PCI
- Review new advanced PCI intervention techniques and describe which patients are suitable for minimally invasive or surgical treatments
- Discuss, and evaluate patient PCI cases

#### **ACCREDITATION**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of CMEsolutions and Cardiovascular Innovations Foundation. The CMEsolutions is accredited by the ACCME to provide continuing medical education for physicians.

The CMEsolutions designates this internet enduring activity for a maximum of  $\frac{1}{2}$  AMA PRA Category 1 Credits<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**FEES:** There is no registration fee for this activity.

#### **FACULTY AND DISCLOSURES**

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by CMEsolutions for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. CMEsolutions has mitigated all relevant conflicts of interest prior to this educational activity to ensure CE activities are free of commercial bias.
