

Cardiovascular Innovations 2026 Abstract Poster FAQ

LOCATION

All poster sessions will be held in a Poster Presentation area in the Exhibit Hall outside Centennial A on the 3rd floor in the Hyatt Regency.

LOGISTICS

Posters will be presented in a small theater setup in the Exhibit hall during main session breaks. There will be a monitor and podium. The moderators will coordinate the presentations according to an assigned order. You will be assigned a poster presentation day and time prior to the event. The schedule will be forthcoming closer to CVI.

You will have 5 minutes to present your poster. Moderators may ask you questions.

POSTER PREPARATION INSTRUCTIONS

- This year, our new submission platform will serve as the presenter portal as well. You only need one login to the portal to access all your poster, case and travel grant submissions.
- Selected abstract presenters will be asked to upload their final posters.
- You may update your poster in the portal up to Wednesday, 7/29. After that time, updates to posters should be emailed to tom@lovemanmedia.com or brought to the Speaker Ready room at least 2 hours prior to your presentation time.
- Posters should be formatted for screen, a 16x9 widescreen format is the most advantageous, in a PDF or Powerpoint slide.
- All posters should be designed to fit on a single page/slide. Including videos in posters may also be permitted. Technical details will be provided to accepted presenters to prepare their digital posters as needed.
- Please include a disclosure of faculty relationships and affiliations on the poster.

Questions? Contact Tom Loveman (tom.loveman@cvinnovations.org) with questions or technical support regarding the submission portal or file and video issues.
