CVI 2026: THE OPERATORS ENCLAVE™

August 6-8, 2026

Denver, CO

Overview

Cardiovascular Innovations is a world-class meeting focused on state-of-the-art therapy for peripheral, coronary, and structural heart disease.

Learning Objectives

- Apply multimodality imaging and physiologic assessment to guide diagnosis and treatment of complex cardiovascular disease.
- Select appropriate transcatheter therapies for structural heart disease, including mitral, tricuspid, aortic valve interventions, and left atrial appendage closure.
- Describe techniques, complications, and best practices for percutaneous closure of left atrial appendage to prevent stroke.
- Optimally manage patients with cardiogenic shock by using hemodynamic monitoring, providing optimal coronary revascularization and timely use of hemodynamic support devices.
- Choose evidence-based strategies for complex and calcified coronary lesions using contemporary techniques.
- Integrate coronary physiology and intravascular imaging to optimize revascularization decisions.
- Evaluate advanced endovascular approaches for peripheral arterial disease, including CLTI, ALI, and no-option patients.
- Assess contemporary management strategies for venous disease, including DVT and iliofemoral obstruction.
- Implement strategies to prevent and manage procedural complications across coronary, peripheral, and structural interventions.
- Develop multidisciplinary treatment plans for complex aortic and carotid disease.
- Translate expert case-based insights into improved procedural safety, efficiency, and patient outcomes.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of CME Solutions and Cardiovascular Innovations Foundation. The CMEsolutions is accredited by the ACCME to provide continuing medical education for physicians.

The CME Solutions designates this live activity for a maximum of 16.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
